SAFE CARE® Odor-Ex® Cleaning Deodorizer

DESCRIPTION: *SC-Odor-Ex® Cleaning Deodorizer* is a concentrated cleaning solution proven to eliminate odors while cleaning. A blend of our *SC-Odor-Ex® Odor Neutralizer* and non-ionic surfactant system, *SC-Odor-Ex® Cleaning Deodorizer* does not cover up odors with a masking fragrance, but breaks the odor-causing chemical compound. *SC-Odor-Ex® Cleaning Deodorizer* is safe to use on all "water-safe" surfaces such as carpeting, upholstery fabrics, painted walls, laminate counters, and stainless steel. Ideal product applications include trash compactors, holding tanks, animal kennels, institutional laundry and treating smoke damage. *SC-Odor-Ex® Cleaning Deodorizer* complies with:

- USEPA Design for the Environment (DfE)
- OSHA 29-CFR Ch. XVII 1910.1200 and 40 CFR Ch. 1, Subparts C & D
- USEPA 600, 4-90, 027 for aquatic toxicity
- USEPA 601 & 602 for VOC testing

INSTRUCTIONS: *SC-Odor-Ex® Cleaning Deodorizer* may be used full strength or diluted with water depending on the specific application. The product may be applied using a sprayer or sponge, agitate if necessary and for best results, rinse with water to remove soil and residual product.
